**Truth 360** is a high energy weekly interview, debate and commentary talk show that uses passion, music and humor along with an engaging mix of brutal honesty and nonjudgmental perspective to educate and empower listeners. **Truth 360** hosts Holli & Jennifer are serious professionals with tremendous depth and insight who will use the facts, anecdotes, questions and answers to examine relevant topics and decode the facts. This **Black Dress Collaborative** initiative will examine the impact of each selected topic on our global society and compel the listener towards a deeper self-assessment as they ponder the hosts “take” on the day’s truth.
