

**CONGRESSIONAL OUTREACH SCRIPT FOR
ERA-AFFIRMING RESOLUTIONS CURRENTLY
INTRODUCED IN THE US SENATE AND HOUSE OF
REPRESENTATIVES**

United States Senate

Hello,

My name is _____, and I am a constituent of Senator _____. I am calling to urge the senator to cosponsor and vote in favor of Senate Joint Resolution 4, a joint resolution affirming the Equal Rights Amendment notwithstanding any time limit and Senate Joint Resolution 39, a joint resolution affirming the Equal Rights Amendment is a valid amendment to the US Constitution. The Equal Rights Amendment has met all requirements under Article V of the Constitution for a constitutional amendment, and millions of voters over the past 50 years have elected state legislators to ratify the ERA. Governors and legislatures of ratifying states continue to urge the President and members of Congress to definitively affirm the ERA, remove the time limit contained in its preamble, certify it as the 28th Amendment, and publish it in order to make a clear, unified statement that the Equal Rights Amendment is now an amendment to the Constitution. I respectfully and urgently implore the senator to cosponsor and vote in favor of these Senate Joint Resolutions. My future vote will be determined by their actions.

Governors and legislatures of ratifying states continue to urge the President and members of Congress to definitively affirm the ERA, remove the time limit contained in its preamble, certify it as the 28th Amendment, and publish it in order to make a clear, unified statement that the Equal Rights Amendment is now an amendment to the Constitution. I respectfully and urgently implore my representative to cosponsor and vote in favor of these House Joint Resolutions and to join the House ERA Caucus which is one of the largest caucuses in the US House. My future vote will be determined by their actions.
